Tournament Rules and Regulations

1. All entrants must be of the Auburn USBC BA and use their highest Auburn BA league average based on 21 games for the 2008-09 season. All Lane Managers and League Secretaries have the Auburn BA average yearbook for the 2008-09 season. If no average from previous season, a new bowler may use his current average with at least 9 games. Tournament Director re-rate any bowler and he feels necessary, i.e., use average from two or more years ago, average from a different association.
2. Non-members of the Auburn USBC BA who live within the jurisdiction of the Association and are not members of another USBC affiliate association may enter by paying an associate membership fee of \$20.
3. Membership cards must be presented upon request of tournament management. Dues of \$20 shall be assessed to each bowler not in possession of a USBC membership card, and an associate membership card will be issued or fee returned upon submission of proof that the bowler was a member of the Auburn BA for the current season.
4. Any entrant without an Auburn BA average from the 2008-09 season will use current 2009-10 season average for 21 games or more as of the starting date of the tournament. ALL OTHERS WILL BOWL SCRATCH.
5. The handicap allowance for this tournament shall be 100% of the difference between the bowler's entering average and a scratch score of 220. All handicaps will be calculated on an individual basis for each event.
6. There will be no doubles only or singles only entries accepted. No split entries will be accepted. Bowlers must bowl both doubles and singles events. Doubles event will be bowled first.
7. It shall be each bowler's responsibility to verify the accuracy of his average in a handicap or classified tournament, whether originally submitted by the bowler, his captain, or others. Failure to use the proper average shall disqualify score if submitted average is lower than actual average. In the case of teams of two or more bowlers, the average shall be combined to determine whether the correct totals are higher or lower than the submitted total.
8. When a bowler enters with MORE THAN ONE TEAM, his FIRST score bowled in the team event shall count towards his all events total.
9. A bowler may compete with more than one team, but not more than 3 bowlers can compete together more than once in the team event. A bowler may compete in the doubles and singles events only once.
10. Any bowler who has been re-rated by his local association or any tournament manager must use his re-rated average in this tournament, unless current 2009-10 season average is higher.
11. Teams or individuals who fail to appear on the lanes prepared to bowl at the scheduled time shall forfeit their entry fees. Captains are to register their team 30 minutes prior to squad time. Also individuals in the doubles and singles are to register 30 minutes prior to their squad time.
12. All entrants who qualified for a prize of \$300 or more in any tournament event, even though such prize has not been paid, must report the name of each tournament, their actual score, position, and amount won at the time of entry. Failure to accurately report prize innings for any tournament during the period of October 17, 2008 and October 17, 2009 can result in disqualification. In addition, the entrant may be liable for suspension of membership from the United States Bowling Congress (see USBC Rule 319d).
13. No entry fee will be refunded if it is discovered that a team or individual has failed to comply with any rule or eligibility of this tournament.
14. There will be no substitutes allowed in the all events.
15. A bowler shall adjust his entering average and submit the adjusted average according to the provisions as outlined in USBC Rule 319e to the Tournament Manager and it shall be each bowler's responsibility to acquaint himself and comply with the other re-rating requirements as outlined in USBC Rule 319e and not appearing here. Any bowler who has been re-rated by any tournament or Association must inform Tournament Management in writing of this re-rating prior to bowling.
16. Handicap allowed for determination of all events prize list: all events trophy, however, will be awarded on the basis of actual pin fall without handicap. Only those entrants paying the all events entry fee will be eligible for participation in the all events prize fund, but any entrant bowling a series in each of the 3 events will be eligible for the all events trophy without extra charge.
17. In the event of an emergency, the Tournament Manager has the authority to re-schedule any team or event scheduled or being bowled.
18. Entries close on Saturday, October 17, 2009 at 1:00 PM. Entries in the tournament (including reservations) will be taken on a first come, first serve basis and are subject to approval and /or confirmation (if made in advance) by the Tournament Director. The Tournament Director reserves the right to cancel any squad times listed below at any time due to an insufficient number of entries registered and/or entered in advance at his discretion.
